create books

We use

to

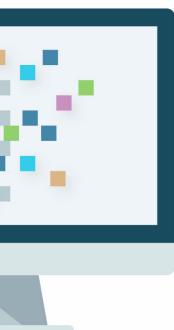

manage or create online applications

Our **printed and electronic titles** are special thanks to the unique data that we have been **developing for years**, constantly extending and updating it. We have published **over 800 printed titles** of our own, in total for **over 50 languages** in various combinations. Lingea has also extensive experience in the development of desktop, web and mobile applications for clients worldwide.

We **grant licenses for our products**, especially for dictionary data that have a broad scope of use. Above all, we provide **customized data** according to the client's needs.

We are able to prepare **customized publications** as turnkey projects starting from ensuring translations and proofreading to the typesetting of final pdf files.
